July 2010

Dear Friends, Parents and Carers

As you can see from the above that 'Friends of Newick House' now has its own independent email address. Please feel free to contact us using details given above. We would like to remind you that 'Friends' is Newick House School's PTA (Parent Teacher Association). So we are here not only to try and raise money for our school but to provide an extra link between home and school and between teachers and parents.

It has been shown in many research projects that children (no matter their ability) enjoy school more and have significantly higher levels of improvement in all areas of their development when their parents are involved with the school.

With so many of our pupils coming from far afield, the pressures of work *and* the extra time and resources we need when dealing with our wonderful but varied children, we understand it is extremely difficult for our parents to be involved. That is why we here at 'Friends' would like to start an address book of all our parents' email addresses so we can not only keep you informed about our activities but you can also be involved from the comfort of your own home! Letting us know what you think and any ideas you may have for us to raise money. You can choose how and when you would like to help or just help us with ideas and advice - if it is difficult for you to actually come to school.

If you would like to be included on our email address list please send us an email to the address above (subject : **email address inclusion** - Please also give your name and surname , your child's name and child's class name).

Or fill in the form below and return to school.

Your details will never be shared with any other party without your prior consent.

Many thanks for your time

The Friends Team
